Date of Issue:	21/04/2026
Investor Reference:	100008
Investor Name:	Chika Orisakwe
Investment Amount:	$500,000,000
Currency:	USD
Investment Tenure:	6 months
Interest Rate:	8%
Monthly Return:	$40,000,000
Total Expected Return:	$740,000,000
Principal Maturity Date:	21/09/2026
Interest Payment:	Quarterly interest payment of 120000000.00 every 3 months across 6 month(s)

Terms and Conditions

1. Principal Repayment

The principal sum of $500,000,000 shall be repaid in full to the investor on the maturity date stated above.

2. Interest Payment

Interest for the tenor of 6 months is structured as Quarterly interest payment of 120000000.00 every 3 months across 6 month(s) at the rate of 8% per month, with a monthly return of $40,000,000 and a total return of $240,000,000 (two hundred and forty million usd only).

3. Early Termination

i. If the investor requests withdrawal before maturity, Zaradera Credit reserves the right to deduct the full amount of interest paid upfront from the principal. ii. An additional penalty of 2% of the principal shall apply for breach of tenure.

4. Notification of Early Liquidation

i. Investors must provide written notice at least 30 business days prior to the intended liquidation date.

5. Rollover

A notification of three days before liquidation is needed.

6. Maturity Date Adjustment

If the stated maturity date falls on a weekend or public holiday, repayment of the principal shall be made on the next official business day. No additional interest shall accrue for the extension period.

Thank you for believing in us to serve you better.
